

APPLY FIRST AID FOR HIGH SCHOOL STUDENTS HLTAID003

COURSE SUMMARY

This course has been developed to be presented specifically to high school students and individuals 15 years and over. Students will not only learn basic first aid skills but presentations and content is tailored to the topics most relevant to issues associated with teenagers today. The Provide First Aid course (HLTAID003) will give students the skills and knowledge required to provide a First Aid response, life support, management of casualty(s), the incident and other first aiders, in a range of situations, including in the home, workplace, school, function or within the community, until the arrival of medical or other assistance. **In addition, this course will include a presentation from the Police on safe living, driving & partying, as well as a component presented on Drugs – the Good, the Bad & The Ugly – and the effects on your life. This course will be presented to you by a practising on-road Paramedic, who has the skills and experience to answer any questions that you may have.** The course comprises both online pre-learning and face-to-face training hours.

LEARNING OBJECTIVES

There must be evidence that the candidate has completed the following tasks in line with state/territory regulations, first aid codes of practice, Australian Resuscitation Council (ARC) guidelines and workplace procedures:

- Followed DRSABCD in line with ARC guidelines
- Performed at least 2 minutes of uninterrupted single responder CPR on an adult resuscitation manikin placed on the floor & 2 minutes CPR on an infant resuscitation manikin placed on a firm surface
- Responded appropriately in the event of regurgitation or vomiting
- Managed the unconscious breathing casualty
- Followed single rescue procedure, including the demonstration of a rotation of operators with minimal interruptions to compressions
- Followed the prompts of an Automated External Defibrillator (AED)

- Responded to at least two simulated first aid scenarios contextualised to the candidate's workplace/community setting.
- Conducted a visual and verbal assessment of the casualty
- Demonstrated safe manual handling techniques
- Post-incident debrief and evaluation
- Provided an accurate verbal or written report of the incident
- Applied first aid procedures for both medical and trauma events

COURSE PREREQUISITES

Students must be at least 14 years of age at the time of attendance. There are no prerequisites for the Provide First Aid course. An online First Aid workbook must be completed prior to course commencement. This is a mandatory requirement for First Aid accreditation and the online workbook link and log in details are emailed to students once enrolment is received. The pre-learning takes approx. 1.5hrs to complete and consists of a First Aid course manual to assist students with answering a series of multiple choice questions. Answers can be saved and finished any time prior to the course commencement and students are required to pass the workbook before attending the First Aid course.

Learn more about the Australian Government's competency and assessment requirements for this course at <https://training.gov.au/Training/Details/hltaid003>

COURSE DETAILS

The face to face training is run over two half school days and covers both theory and practical aspects of the First Aid course. There is a short multiple choice quiz at the end of the training, covering the practical First Aid information learnt that day. Students will also be assessed on practical skills to pass the course. Once completed, all students will receive a First Aid manual, and have an accredited Certificate towards their HSC and beyond into the workplace.

CERTIFICATE VALIDITY

The HLTAID003 certificate is valid for three (3) years from the completion date.

The Australian Resuscitation Council recommends that CPR skills be refreshed annually.

Please note: course packs are downloaded from your portal to ensure you have the most up to date forms and resources for your courses.

FEES

\$120 per person

Minimum 10 and Maximum of 20 participants
